

To All Clients

DISCLOSURE AND CONSENSUS REQUEST TO THE TREATMENT OF PERSONAL DATA AS FOR THE EU REGULATION 679/2016 AND THE ITALIAN LAW ON THIS SUBJECT MATTER.

In order to carry out its activity, our Company needs to treat some of its Personal Data. Therefore, as per art.13 of the European Regulation 2016/679 – “Regulation relative to the protection of physical people regarding the treatment of personal data, as well as the free circulation of such data” (hereafter, the “Regulation”), and also the Italian law on the subject matter, we offer hereafter the disclosure relative to the treatment of Your Own Data.

1. Objective of the treatment

Your Own personal data belonging to the category of common data will be used by Us:

- a) for pre-contractual and contractual needs, for the delivery of the services agreed in the contracts;
- b) for administrative and accounting needs relative to the management and operation of our activity and for checking the trend of relationships with clients as well as the participation to public bids;
- c) for fulfilling civil, fiscal or of other nature norms and existing laws, which also applies to European regulations or laws;
- d) for sending commercial advertisements and surveys for the evaluation of the satisfaction of the client, for carrying out surveys or market analyses to appear in the sector reviews;
- e) for the management of the clients, even for the purpose of running internal statistical tests, as well as for suggesting our own clients to potential clients and suppliers;
- f) for the inclusion in company sites, in their own brochures and advertising material;

2. Nature of the confirmation and juridical basis

The confirmation of the data for the d), e) and f) objectives is not compulsory therefore a potential refusal doesn't have any consequences if not the impossibility of starting initiatives aiming at improving our service for you, as well as updating you on the developments of our offer, while the missed confirmation of the data for all the other objectives results in the impossibility of establishing a contractual relationship or its continuation.

Regarding the treatment in:

1. the preceding paragraph, paragraph 1, a) and b) points, the relative juridical basis resides in the necessity of complying with the obligations contractually accepted with the subject under an insurance policy;
2. the preceding paragraph, paragraph 1, c) point, the relative juridical basis resides in complying with the legal obligations;
3. the preceding paragraph, paragraph 1, d) point, the relative juridical basis of consensus, with the exception of the commercial communication relative to products and/or services similar to those already purchase and/or signed by the client for which the treatment depends on the legitimate interests of the Owner;
4. the preceding paragraph, paragraph e) the relative juridical basis resides in the agreement or consensus, excluding the analysis of elementary information relative to your consumption preferences;
- 5 the preceding paragraph, paragraph f), the relative juridical basis resides in the consensus.

3. Modality for data treatment

The treatment of Personal Data, for the objective above explained is carried out with electronic ways as well as non-electronic ways (paper-based ways), while respecting the rules of privacy and security foreseen by the law, by the Regulation and by the following regulations and proper internal dispositions.

4. Categories of recipients

Personal data will be treated by thirds subjects, which are suppliers of services nominated by the Company or by dependents or collaborators of the Company, as they are subjects who are authorized

to the treatment of personal data and designated by the owner of the treatment, in the sphere of their respective work duties.

You can obtain a complete list of the responsible subjects (of the treatment), designated by the Owner by contacting the Owner directly as specified in paragraph 5 below.
